

# Sea Dragon wreath craft

from *Mira the Misfit Sea Dragon*

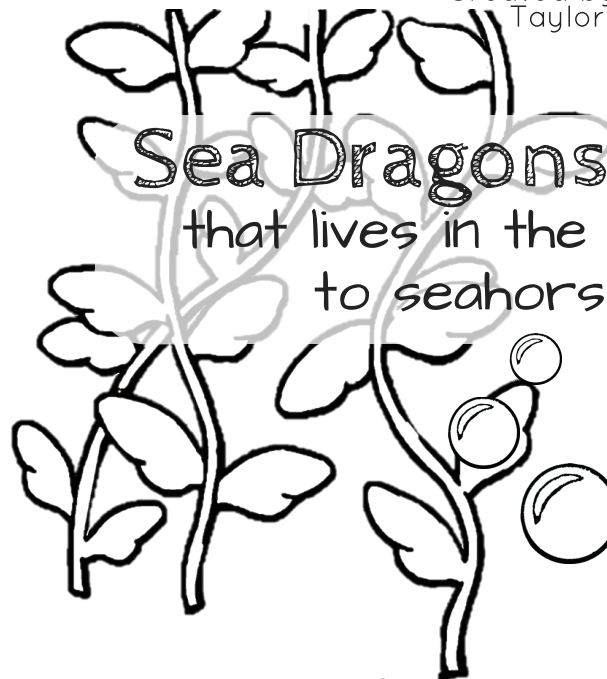

Created by ocean children's book author "Everett"  
Taylor, the husband and wife team of the blog  
[LivingPorpoisefully.com](http://LivingPorpoisefully.com)

 Cut out the shape above and color it in.

 Cut out the shape above to make a stencil.

Sea Dragons are a kind of fish that lives in the ocean and is related to seahorses (also a fish!).

They have fins that look like leaves to blend in with the seaweeds.

Perfect camouflage!

Their spiral-like tail helps them to grab onto the seaweed stems.
